

The Listing Asset Management Network

CHANNEL SCORECARD

Homes.com, is one of the top 20 most visited Web sites in the real estate industry. A division of Dominion Enterprises, Homes.com is a leading provider of real estate marketing and media services, including brand advertising, property listing exposure, Web site development, search engine marketing and lead generation solutions. More than 4 million homebuyers visit Homes.com each month to search nearly 3 million homes for sale, to locate real estate agents in their area and to find useful tips on home buying.

Note: While properties will display listing-agent contact information on this site, redirect links to the property detail page will only appear on listings for subscribers to Homes.com paid enhancements.
